"Entitled Agents from Catarrh."

Prof. W. H. Haskins, of Albany, N. Y., writes: "I suffered under a severe attack of catarrh for several months, and I have told many such a bad case, and my doctor told me that my vision was gone, and that I could never speak now, because, in the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, I have recovered, I am a well man, and the cure has been permanent."

"Constantly coughing and spitting."

The Rev. J. Barnes, Esq., 2000 Broadway,
St. Louis, Mo., writes: "I was a great sufferer
from catarrh of three years' duration. I had
had a severe attack of it for six months, and
it was constantly coughing and spitting. In the last eight months could
not breathe freely in the night. I thought
nothing could be done for me. Doctor, I was
nearly compelled to give up my practice. But
I am now a well man. I believe it to be the
only sure remedy for catarrh, now manufac-
tured, and one has only to use it a few days to
experience astonishing results, and a permanent
cure."

A considerable number of physicians and
able men are claiming, that our new number
